KOLOSSEUM

III

2018 war das Kolosseum mit 7,4 Millionen Besuchern die beliebteste Touristenattraktion der Welt.

VON DAMALS BIS HEUTE

Seit fast 2000 Jahren behauptet sich das Kolosseum als Wahrzeichen des antiken Rom. Es überstand Brände, Erdbeben und den Verlust vieler Steinquader, die jetzt in anderen Gebäuden der Stadt verbaut sind. Heute ist es eines der meistbesuchten Touristenziele der Welt. Die Besucher schlendern durch die unterirdischen Korridore des Hypogeums oder blicken von den oberen Ebenen auf den teilweise rekonstruierten Boden der Arena hinunter.

Die Außenmauer des Kolosseums beherbergt heute ein dem römischen Gott Eros gewidmetes Museum, das unzählige Touristen anlockt.

GLÜCKWUNSCH!

Du hast es fast geschafft! Du hast das bisher größte LEGO® Set fast vollendet. Hoffentlich hat dir diese Bauherausforderung große Freude bereitet. Vielleicht beeindruckt dich die Leistungen der einstigen römischen Baumeister jetzt sogar noch mehr. Diese LEGO Version hat hoffentlich auch dein Interesse am echten Kolosseum, einem der prächtigsten Bauwerke der Welt, geweckt.
